Great--any news if he can be with us and if we want to do a press conference to present the award.

Just wanted to let you know that Lee Ann, our Communications Director, thought the press release looked great.

Thanks. Have not heard any confirmation on whtehr the Govrnor would like to do a press event and be with us in Gulfport.

Saw the Governor last week at a fundraiser I helped with along with Ray Mabus. He seemed interested in doing both.

So we reached out to Jenn walker on the campaign staff as suggested by Kimberly Benednesen who was with the Governor.

Let us know if something else we need to do on this. Anxious to have him with us!

Ken: This looks great to me. I'm going to run it past Lee Ann in our communications office. Have y'all got a confirmation from Kim Gross, our scheduler, regarding the press event. If he is unable to make the press event, will you still issue this press release?

Thanks! Have a great Monday!
